Supporting documents required for the application for AO ITC Clinical Research Fellowship:

1. Curriculum vitae
2. List of publications and major lectures given by the applicant
3. Copy of medical school diploma
4. Copy of AO Principles Course Certificate (for applicants for AO Trauma-ITC Clinical Research Fellowship only)
5. Two letters of recommendation (signed and preferably printed with the institute's letterhead)
6. One recent passport size photograph
7. Fellowship Project Outline (only one project outline form allowed)
8. Copy of ethical approval from competent authorities (only for fellows bringing their own database for analysis). If the ethical approval is not in English, the applicant is required to include a translation to English, but it is not mandatory to have the translation certified.

Please submit this form and the required documents via the application portal:
