The AO Recon Fellowship stipends are calculated using a benchmark of CHF 550 for 1 week's fellowship in Switzerland. The stipends for all other countries are adjusted to the local price level. To calculate the adjustment, the price level ratio of PPP conversion factor to market exchange rate provided by the World Bank is used. The minimum stipend has been set at CHF 250.00 / week.

Please see the World Bank data here

Country	CHF per week
