

# Meet the AO student community:

## Peer-to-peer networking session at DKOU

### Curious about what the AO can offer you as a medical student?

Connect with fellow medical students who are already part of the AO community, and discover how AO can support your journey from medical school to residency and beyond.

### Stop by to learn:

- How to join the AO student community
- Which learning, research, and career development opportunities are available
- How to connect with students, residents, and surgeons
- All the privileges included in the free membership

**Date:** Wednesday, October 21, 2026

**Time:** 12:00–13:00

**Location:** AO booth at DKOU 2026

Meet AO students, ask questions, and hear first-hand experiences about getting involved in the AO community.

**Free** and open to all medical students.

### Who you'll meet

**Jan Stephan**

AO Student Representative

**Laetitia Maria Tornow**

Active AO Student Member

**Prof. Dr. med. Tina Histing**

AO Trauma Germany Representative for Students

**Prof. Dr. med. Christof Müller**
